HIGHER CERTIFICATE IN NURSING

FOR THE PROGRAMME LEADING TO REGISTRATION IN THE CATEGORY AUXILIARY NURSE

VISION

The vision of Arwyp Training Institute is to be the private training provider of choice for nursing programmes by providing accessible, high quality education and training.

MISSION

To advance, transmit and sustain knowledge and understanding through the conduct of teaching, clinical practice and research at the highest standards, for the benefit of the local and national community.

PURPOSE

The qualification will lead to a Higher Certificate in the category Auxiliary Nurse. This qualification is an entry level into nursing. The qualification serves to provide students with basic knowledge, tools and techniques to enter into additional higher education studies in nursing.

The programme focuses on general principles and their application in the provision of basic nursing care. The qualification signifies that students have achieved a basic level of higher education knowledge and competence in nursing. It also signifies that the student can apply this knowledge and competence in the workplace, specifically in a healthcare setting. The programme is characterised by a work integrated learning component.

AIMS OF THE QUALIFICATION

It will produce nurses who will provide basic nursing care in all spheres of healthcare service delivery. It will provide the nurse with a wide range of cognitive, affective and psychomotor skills and will hone skills in assessment, planning and implementation of basic nursing care. It will develop writing and oral communication skills.
